

Each Sunday Morning at H.O.M.E. Center

G.O.O.D. Morning

Good Open-minded, Open-hearted Discussion

Where: The HOME Center – Main Building

When: Every Sunday morning

Time: 10am-10:45am

You are invited to join us prior to church service in the main building every Sunday Morning for **G.O.O.D. Morning**. During this special time we get the opportunity to learn more about each other as individuals and as a community.

Do you know all your community members? Do they know you? This is an opportunity to allow others to get to know us and to get to know them. This is important because it builds a network of love and understanding so when we sit in service together or come together during functions, no one is a stranger. It makes our time together more meaningful and creates deeper connections. We will approach this in various ways via questions, short readings, team building games and more.

Please feel free to get Reiki at the chapel between 10:15-10:45am and join us when you're done. We hope to see you there!
