Annual Treasure Mapping—Vision Board for 2020
Saturday, January 18th, 11am
Cost: \$15 (includes all supplies and soup and bread lunch)

A vision board is a tool used to help you clarify, concentrate and maintain focus on a specific life goal. On your board you'll display images that represent whatever you want to be, do or have in your life. During this class you'll create your personal vision board using pictures from magazines to help you set your intentions for 2019. When you surround yourself with images of what you want to become, what you want to have, where you want to live, or where you want to go on vacation, your life changes to match those images and desires.

Bring your old magazines, intentions, dreams and visions for 2020!
Come and have fun and make your 2020 come alive from potential to reality.

Please let us know if you plan to attend: homecenter2@comcast.net or call or text 503-551-0311 or the signup sheet at H.O.M.E. Center.

Some information to help you select the hide:

Deer Medicine teaches gentleness in word, thought, touch, and being. From Deer Medicine we learn the gift of gentleness, caring, unconditional Love. To help us overcome and put aside many testing situations. For only in Love of both ourselves, and others, do we understand the true meaning of wholeness.

Elk Medicine the animal spirit of Elk is one of strength, nobility, pride, survival, and stamina. Elk are able to look at the long journey and to "hit their stride" to maintain energy and perseverance. We are reminded by Elk that there is always support if we need it.

Horse Medicine The medicine of Horse teaches us that true power is the wisdom found in remembering our total journey. The horse meaning signifies overcoming obstacles, and how you should carry yourself in the face of adversity. The horse spirit animal works hard to remind you to take care of your emotional, mental, and spiritual well-being. The horse symbolism also speaks about freedom.
